

# Salisbury Model Flying Club Privacy Notice (GDPR)

We collect and store limited personal information about our members to manage club activities and ensure safety at our flying site.

**Data we collect:** name, address, contact number, DOB, BMFA number, CAA numbers and vehicle details.

**Purpose:** to maintain membership records, comply with BMFA affiliation requirements, and identify vehicles at the flying site.

**Storage and security:** your data is stored securely and only accessible to club officers who need it for administrative purposes.

**Sharing:** we may share membership information with the BMFA for insurance and affiliation purposes. We do not share your data with anyone else.

**Retention:** we keep member records for the duration of membership and delete them within one year of membership lapsing.

**Your rights:** you can request access to, correction of, or deletion of your personal information at any time by contacting the club secretary.

**Contact:** Andy Telfer. email: - [tinatelfer@btinternet.com](mailto:tinatelfer@btinternet.com)
